

LEOPARD

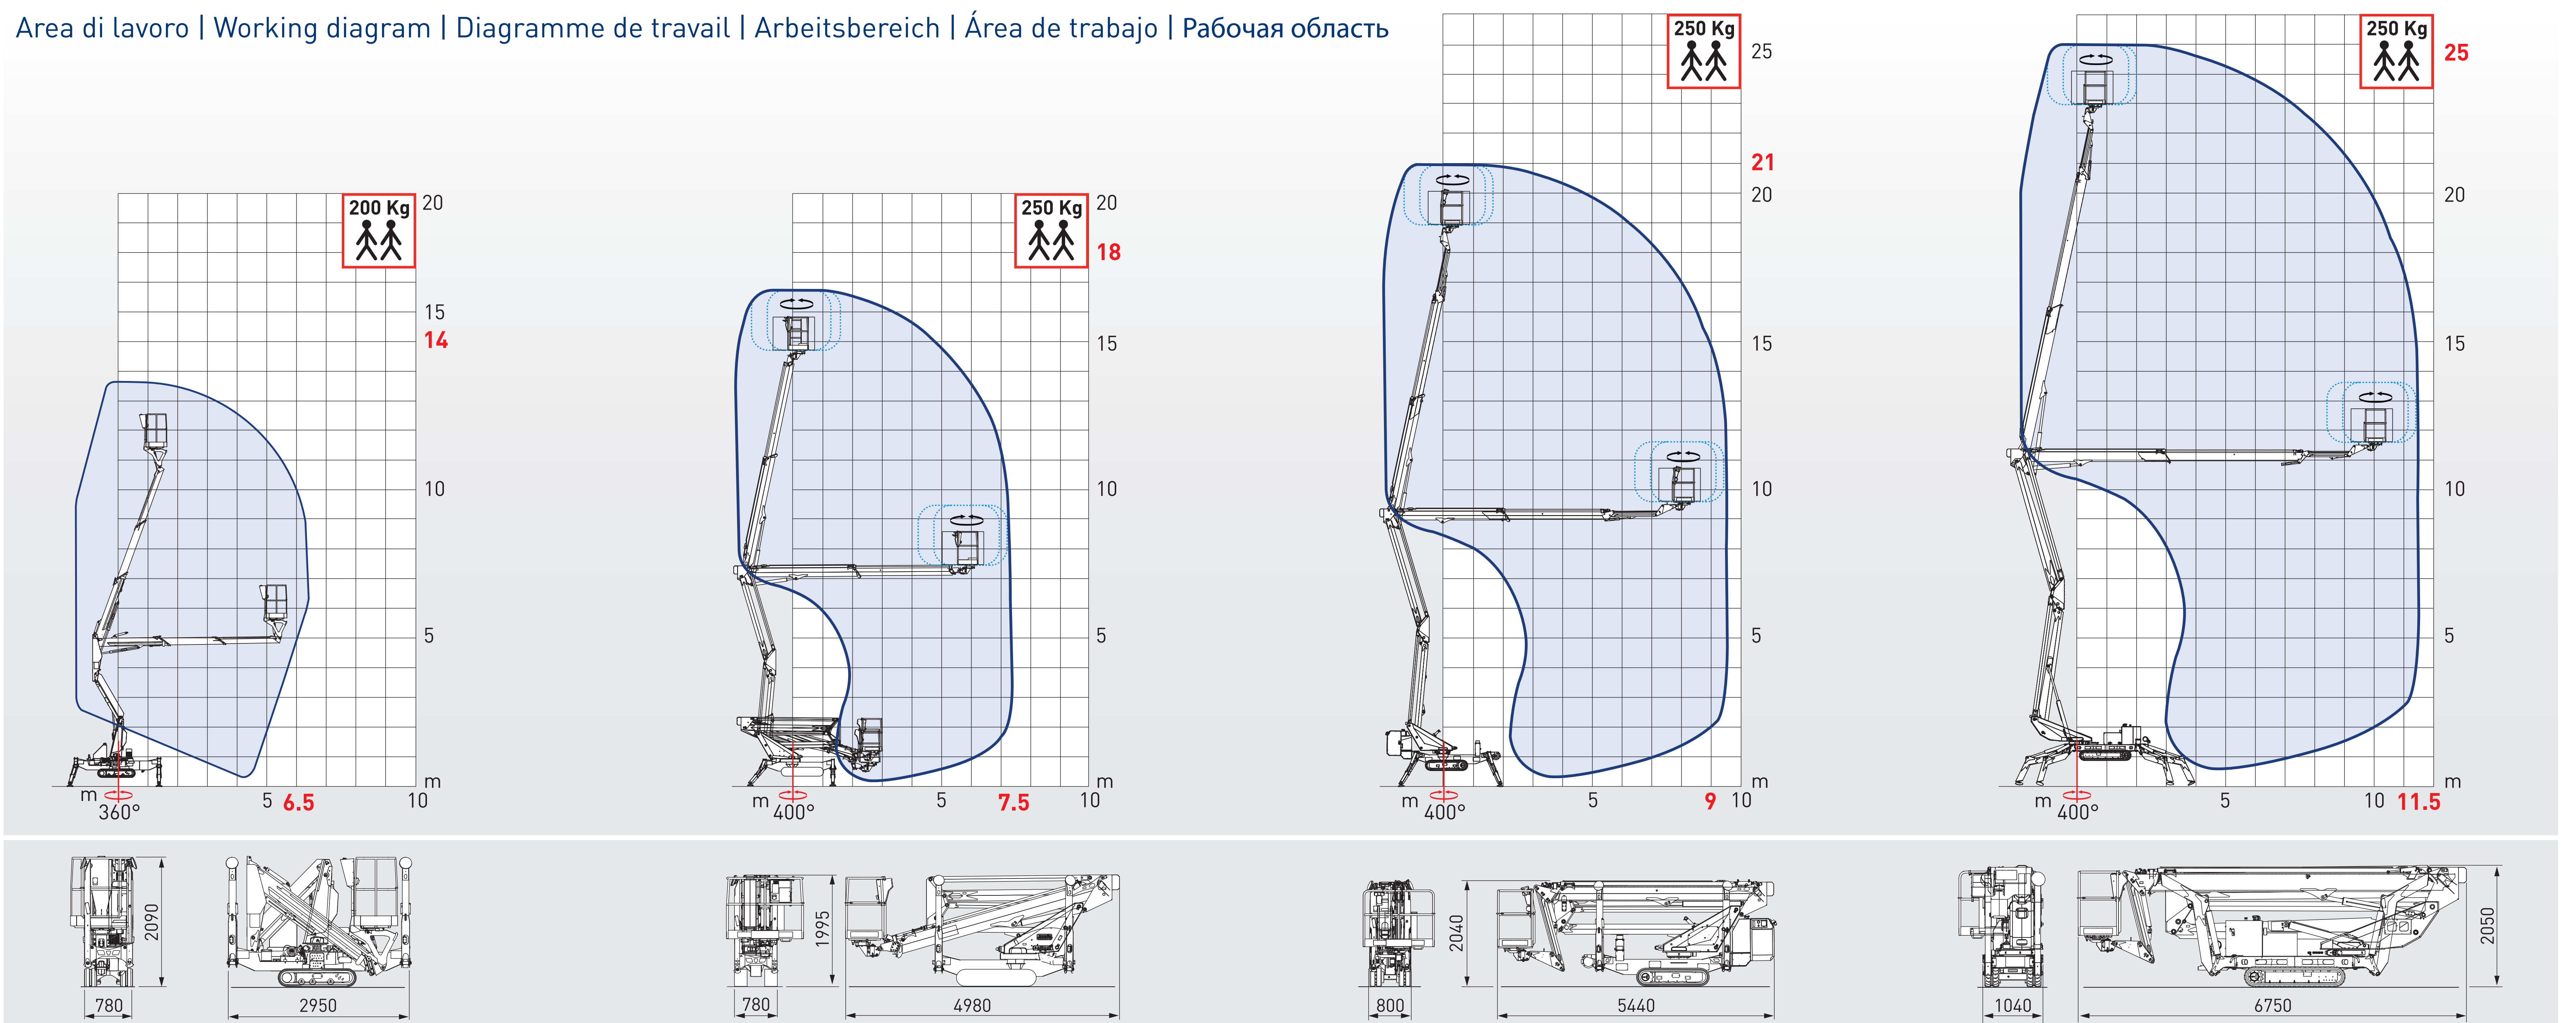

14 18 21 25

[LITHIUM BATTERY VERSION]

Area di lavoro | Working diagram | Diagramme de travail | Arbeitsbereich | Área de trabajo | Рабочая область

- Altezza di lavoro da 14 a 25 m
- Sbraccio laterale fino a 11.5 m
- Max portata in navicella 250 kg
- Rotazione torretta: 360° per il modello 14 m, 400° per i modelli 18, 21, 25 m
- **Cingolo allargabile (modelli 18, 21 e 25 m)**
- **Doppia velocità**

- **Batteria al litio**
- **Comandi elettro-idraulici proporzionali**
- Radiocomando wireless
- Motore a benzina
- Presa elettrica 230 V in navicella
- Motore elettrico supplementare 230 V
- Cingolo anti-traccia

- Working height from 14 to 25 m
- Lateral outreach up to 11.5 m
- Basket capacity max. of 250 kg
- Turret rotation: 360° for 14 m model, 400° for 18, 21 and 25 m models
- **Widening crawler (18, 21 and 25 m models)**
- **Dual speed**

- **Lithium battery version**
- **Proportional electro-hydraulic controls**
- Wireless remote control
- Petrol engine
- Electric power socket 230 V in basket
- Supplementary electric engine 230 V
- Non-marking crawler track
